C6500 Series Industrial Colour Printer

The C6500 series are eight-inch industrial colour label printers to produce labels in-house and on-demand in small-to-mid volumes. They are digital 4 colour label printers supporting media widths, from 25.4mm to 215.9mm and boast expanded media support which even includes textured paper. The series includes peeler-equipped (Pe) and auto-cutter (Ae) models.

Key Features

Compact design
Label width as small as 25.4mm
Optional models available
Easy to use
High resolution, high quality
Produce on-demand digital 4 colour labels

These label printers offer high-quality, high-resolution, four-colour print output as standard; along with colour matching functionality (ICC profile and spot colour matching tool) for impressive, impactful, on-demand colour labels. The C6500 series benefits from a wealth of features that are designed to provide practical and creative solutions.

This range of label printers can print anything from tiny labels to large durable labels that are suitable for chemical drums. The matt black ink version (for both Pe and Ae models) also provides users with increased print finish flexibility on textured or plain paper.

They are designed to be user friendly with a compact footprint: all operations can be carried out from the front, which saves on operation space. The roll replacement is possible from the front, right and left. There are several technical tools to help with printer management, configuration, and maintenance, including: web interface and printer fleet management, remote configuration, maintenance, and monitoring.

TECHNICAL SPECIFICATIONS

Dimensions (H x W x D):   Weight:
C6500: 326 x 444 x 565mm   26kg

Construction: Aluminium frame with metal door

USER ENVIRONMENT:

Operating Temperature: 5°C to 40°C (40°F to 104°F)
Relative Humidity: 20% to 85% non-condensing
Storage Temperature: -5°C to 60°C (23°F to 140°F) Storage Humidity: 5% to 85% non-condensing

PRINT TECHNOLOGY:

Printer Type: Inkjet
Printhead: Precision core – 800 nozzles per colour
Max. Print Width: 215.9mm
Max. Print Speed: Max. 85 mm/sec at 300 x 600 DPI

MEDIA:

Media Types: Continuous label, continuous media, die-cut label, black mark paper, black mark label
Materials: Vellum labels & paper, matt coated, glossy coated, PP

OPTIONS:

Built-in peeler model (CW-C6500Pe), Auto-cutter model (CW-C6500Ae), Matt black ink version available
for both models.

Reflex Systems offer a full range of consumables products for your printer: labels, ribbons, print heads and
spare parts. Reflex can configure and supply rewinders and applicators to create an automated workflow.
